June 1 - 5 Transportation

Our theme on Transportation will teach children about many kinds of vehicles that help people move from place to place. We will also focus on where certain items such as boats, cars, planes can be used. As a special project we will make group collage where various types of transportation could be pasted, drawn or painted to create a "Things that go" poster.

Song: The train's wheels

The wheels on the train go clickety clack, clickety clack, clickety clack.

The wheels on the train go clickety clack all along the track.

(whistle.. goes whoo! brakes ...go chhh! chhh! chhh!; conductor ..says "all aboard")

June 8 -- 12 Summer vacation

Summer is just around the corner, so it's the time to start planning summer vacation. Through this theme we will be discussing places we can go for the vacation, the ways to get there and special activities involving this time. The children will decorate the luggage bag and draw pictures of their dream summer vacation.

Song: A - Fishing we will go

A- fishing we will go, a

- fishing we will go, we'll have some fun playing in the sun,

a - fishing we will go.

June 15 - 19 Father's Day / Famous men

Our theme on Father's Day will give the children an opportunity to appreciate our Daddies or special male figure by learning new songs, poems and making gifts. During circle time will talk about special activities that children can do with their fathers. Through this week children will also learn about some famous men that made impact on people lives.

Poem: Father's Day

I'm glad it's Father's Day today,

It's a special day, you know.

It gives me an extra chance

to say "I love you so".

June 22 - 26 Summer is here

Summer is the favorite season for most children. We will focus our theme on changes of summer weather, activities related to the time of the year, appropriate clothing and special kinds of food that taste the best when is hot outside.

The tips how to be safe while playing outdoor will be discussed during circle time. We will make fruit popsicles and frozen coconut bananas during cooking activities. We will also have picnic snack outdoor where all the jummy snacks made by us will be tasted. SUMMERLICIOUS!!!

Song: It's Summertime (tune: Christmas tree)

It's summertime! Let's have some fun, we'll have a picnic in the sun.

We'll swing on the swings, read under a tree, play baseball, eat hot dogs, and drink some ice tea.

We'll build a tree house, all our own, eat corn on the cob and ice cream cone.

Dig in the sand, play tag and camp out.

This is what summer is all about!

June 29 - July 3 Canada Day

"Hip, hip hooray it is Canada Day". It's the time to celebrate our country's 142 birthday.

The children will be able to do so by decorating Canadian flags, making "O Canada" headbands, as well as getting familiar with symbols of Canada and our currency.

Poem: Canadian flag

Take the flag and wave it,

hold it high above.

See it's colours red and white

Our Canadian flag we love!
